2.5 The County agrees to defend, indemnify and hold harmless the City, its appointed, elective officers and employees, from and against all loss or expense, including but not limited to judgments, settlements, attorney’s fees and costs by reason, if any, and all claims and demands upon the City, its appointed, elected officials or employees for personal injury or damage to property, except such injury or damage as shall have been occasioned by the sole negligence of the City, its appointed, elected officials or employees.

DUTIES OF THE CITY:

3.1 The City will provide reasonable care and control of the animals delivered to it by the County or impounded at the request of the Sheriff’s Department.
