PROJECT DESCRIPTION

What is the existing use and zoning of the properties containing habitats and species proposed for nomination?

Please describe the habitat or species of local importance you are nominating:

REVIEW CRITERIA

The County will consider the criteria listed in The Stevens County Critical Area Ordinance Title 13, including SCC 13.10.031(2) and Appendix "B" in reviewing nominations for habitats and species of local importance applications for site specific rezones and may only approve a nomination if the applicant demonstrates that all of the criteria are met.

The questions listed below, in addition to a completed environmental checklist addressing issues, are designed to identify your nomination's compliance with the criteria, so please provide complete information to support your request.

SCC Critical Area Ordinance Title 13 Appendix "B".

1. Please describe how the nomination demonstrates a special need for consideration based on the following:

- a) declining population,
- b) sensitivity to habitat manipulation,
- c) commercial or game value, or
- d) other special value, such as public appeal.

#1 Continued:

2. Please describe any specific and relevant protection regulations that meet the goals of the Stevens County Code Title 13 Critical Area Ordinance and Comprehensive Plan.

3. Please describe any relevant and feasible management strategies that are considered effective and within the scope of SCC Title 13 Critical Area Ordinance.
