STEVENS COUNTY POLICY FOR AWARDING CONTRACTS FROM SMALL WORKS ROSTER

1. The County will consider construction projects with an estimated value of less than \$300,000 and for services with an estimated value less than \$25,000 for award using the small works roster.
2. If such project is deemed advisable to award through small works, the County will invite proposals from all contractors on the roster qualified for the type of work involved, reserving the right to limit the invitation total to 5 if more than five contractors are on the roster for the type of work.
3. The invitation shall describe the work and provide a proposal for the contractor to bid on the project, along with a bid deadline.
4. A Statement of Intent to Pay Prevailing Wages, approved by the Washington State Dept. of Labor and Industries will be required upon reward of a contract.
5. The County will award the project to the lowest responsible bidder, reserving its right under applicable law to reject any or all bids, and to waive procedural irregularities.
